# **SITUATION SUMMARY**

## **2<sup>nd</sup> Round of Winter King Tides**

The second round of this winter's King Tides that began this morning will peak tomorrow, and then last through Wednesday. The first high tide started this morning with low tide in the afternoon to early evening hours.

### **Impacts**

- Minor coastal flooding along the immediate coast and bay front, impacting low lying roadways and parking lots, coastal trails and water front sidewalks.
- Loss of access to narrow beaches and coves.
- Strong rip currents at beaches during low tide.

## **Unknown Radiological Device, San Bernardino County, SPILL 15-0308**

At 1829 hours on 01/16/15, the CSWC received a report from the National Response Center advising of an unknown Pelican Case discovered in the desert from an unknown source with radioactive markings on it. The report stated that the case read, "CAUTION X-RAYS." San Bernardino County Sheriff's Department responded to the scene and reported the case to the local Army base.

California Department of Public Health Radiological Branch was briefed and placed in contact with local authorities. CDPH reported that that the case will be picked up today, 01/18/15, and transported to the CDPH storage for Radioactive material or to Fort Irwin. The case is very far in the desert and not accessible by car, only helicopter. The case is considered low risk by CDPH, DOD, and the Army. **Update 01/18/15:** The pelican case was labeled "Caution X-Ray" not "Caution Radioactive Materials" therefore the case does not contain radioactive material. The device was secured at Edwards AFB late Saturday, 01/17/15. The case will be opened on Tuesday, 01/20/15 to determine the device name, manufacturer and model number.

# WEATHER

## WEATHER SYNOPSIS BY REGION:

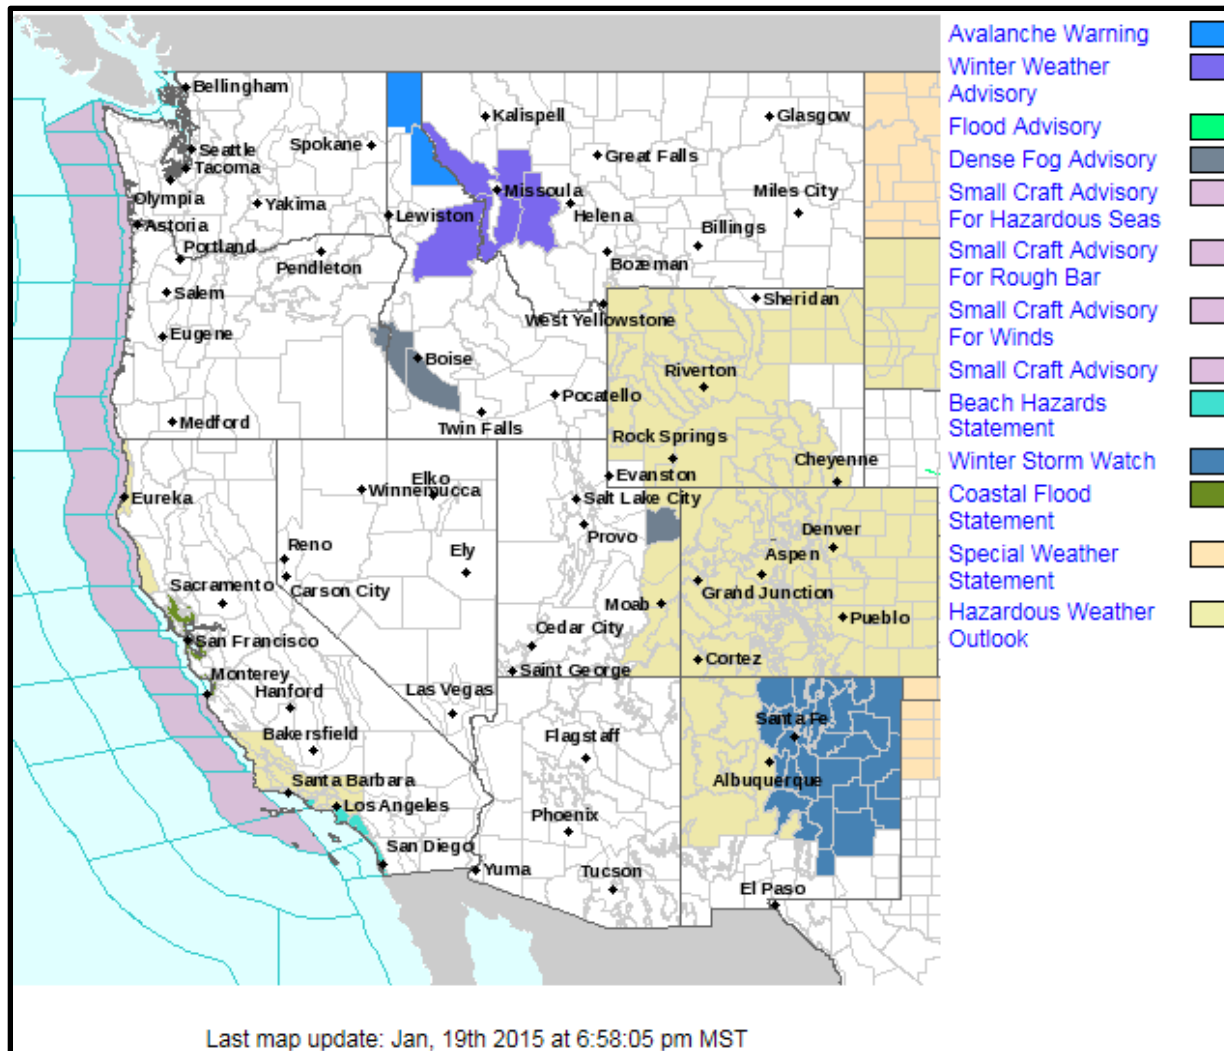

### **NORTHERN CALIFORNIA**

High pressure will be building over Northern California over the next week, bringing drier and warmer weather to the region. Valley fog with possibly some drizzle will be possible through midweek.

### **SOUTHERN CALIFORNIA**

Onshore flow and deepening of the marine layer will bring cooling and increasing humidities into Wednesday, with gusty west winds in the afternoon through evening for today and Tuesday. For Thursday through next weekend, high pressure aloft over California and surface high pressure over the Great Basin will bring warmer high temperatures, lower inland humidities, and periods of moderate strength gusty northeast winds for the coastal mountain slopes and adjacent foothills areas.

# **RECOVERY ACTIVITIES**

## **Magnitude 6.0 Earthquake, American Canyon, Napa County**

- Cal OES and FEMA announced that the Major Disaster declaration for the South Napa earthquake will also include the Individuals and Households Program under the Stafford Act. This amendment makes assistance available to help homeowners and renters recover from the earthquake.
- As a result of President Obama's major disaster declaration, the U.S. Small Business Administration declared Napa and Solano counties, making residents and business owners eligible to apply for low-interested physical loss disaster loans. This declaration also made available low-interest Economic Injury Disaster Loans (EIDL) for businesses to apply in the primary counties of Napa and Solano, as well as the contiguous counties of Contra Costa, Lake, Sacramento, Sonoma, and Yolo.

## **Recovery Activities**

### Public Assistance

- RPA: 63 RPAs were received and 14 have withdrawn for a total of 49 FEMA approved open applications.
- Kickoff Meeting: 56 Kickoff Meetings have been completed leaving 1 remaining to be scheduled once through FEMA's review queue. It is currently anticipated all kickoff meetings will be complete by 1/7/2015.
- PW: 215 PWs are anticipated to be written as a result of the Napa Earthquake. Currently, 75 PWs are in draft, 63 PWs are entered into the federal database system, 51 of which have been obligated.
- Exit Briefing: 11 applicants have had Exit briefings conducted.

### Individual Assistance

- The FEMA and State VAL continue to work with nonprofit organizations in Napa County regarding Long Term Recovery efforts. The Napa Earthquake Recovery Group, aka, eNERGy will be holding a general meeting.
- Cal OES IA Voluntary Agency Liaison (VAL) continues NGO coordination in Solano County. The Vallejo Earthquake Recovery Group (VERG), a long term recovery group, has formed and has established by-laws and elected an Executive Board. United Methodist Committee on Relief (UMCOR) will provide case management training to local organizations in Napa and Solano counties.
- The registration deadline for individuals and businesses to request FEMA and SBA assistance closed on Monday, 12/29/14.
- Assistance Centers – The Local Assistance Center (LAC) in Napa transitioned to an SBA DLOC on Tuesday 12/30/14. The smaller operation maintains a presence by SBA staff. Hours of operation are 8 a.m. to 4:30 p.m., Monday through Friday.

# **RECOVERY ACTIVITIES**

## **2014 Statewide December Winter Storms**

On 12/22/14, Governor Brown declared a State of Emergency in Marin, Mendocino, San Mateo, and Ventura Counties as a result of the statewide storms impacting California. At this time, Cal OES Regions and Recovery continue to work closely with all impacted operational areas to assess the impacts, losses, and costs of the December Winter Storm.

### **Recovery Activities**
